PERFECT FEET PERFECT LIFE

Comfort Casual shoes

Wide shoes

Soft Spandex shoes

Post-op shoes

Design Service Our R&D engineers have at least 10 years experience in making shoes. Our own models bring us more than 70% orders .

Our design team could make your idea into shape, even you need unique feature, they also could make it happen.

Not only will we generate your design, but we will create many series of shoes for your selection.

Besides shoes design , our design service includes sole design, package (box) design and so on.

Development Service Bring us your project and we could make a sample in 5-10 work days according to the model and material.

Although many of our clients just give general ideas without any design, we can make it reality.

The service contain project solution and product enhancement.
